

# The Endtimes Are Now!

## Preparing for the End

What do Angela Merkel, Vladimir Putin, Xi Jinping, Recep Erdogan, Hassan Rouhani, Bashar al-Assad, Kim Jong-Un, Benjamin Netanyahu, Antonio Guterres, Donald Trump and Pope Francis have in common? They, along with many others, are major players on the world scene in these end times as allowed by God, and as the world draws closer to God's Kingdom on earth. In the short time Trump has been President it appears America has been withdrawing from globalism and strengthening its sovereignty, evidenced by:

- \*Threatening NATO members to pay their fair share or lose US support,
- \*Withdrawal from Paris Climate Agreement,
- \*Withdrawal from Global Compact on Migration,
- \*Withdrawal from Trans-Pacific Partnership,
- \*Cutting US financial support to UN,
- \*Withdrawal from UNESCO,
- \*Attempting to balance trade deficits. His withdrawal from global dominance and his strong support for Israel appears to line up with Bible prophecy of the diminished role of America during the Anti-Christ's tribulation reign.

**US says Russia Hacks Energy Grid, Critical Infrastructure.** The Trump administration accused Russia on Thursday of a concerted operation to hack the U.S. energy grid and other critical infrastructure including aviation. (onenewsnow.com 3/16)

**Turkey: "Europe will be Muslim".** A triumphant prediction of the inevitable Islamization of Europe, through demographic Jihad, made by Turkey's President Erdogan. That is likely why Britain is moving so swiftly to persecute and destroy all resistance to Sharia and Islamization. The British authorities see the writing on the wall, and well they should, because they wrote it. (jihadwatch.com 3/19)

**Merkel: 'Islam Belongs to Germany'.** Yes, "Islam belongs to Germany," and given Islam's political, authoritarian and

**What's Behind the Plunge in Bitcoin?** The cryptocurrency has dropped 11% of its value in the past three trading days, part of a 66% fall since December, which is jaw-dropping even by its standards. In the US, different federal agencies have different interpretations. The Commodity Futures Trading Commission says, Bitcoin is a commodity and the CFTC regulates commodities. The Securities and Exchange Commission (SEC) argues that they're a security, which

supremacist character, before too long Germany will belong to Islam. No one would have been more pleased than Adolf Hitler.

### **China Taking Center Stage?**

With the U.S. and Britain quickly fading from their global leadership positions, China has stepped into the gap! "From the fight against climate change to trade rules," China has risen to the level of a world superpower and "the past year has seen its status cemented." (Deutsche Welle, 2/15/18). "The current situation is China wants to be a world leader, at all costs." So what is China's future, compared to the US, the UK and EU? While the US and UK fade and the EU flounders, will China become the world's sole superpower? (twnews&prophecy.com 3/16)

### **Netherlands Breaking Records by Killing its Own.**

There were more than 6,500 euthanasia deaths in 2017, an increase of 8% over 2016, but Alex Schadenberg of the Euthanasia Prevention Coalition says a previous study suggests that 23% of patients killed by doctors are not reported. Often they have actually no medical condition causing their death, but they have psychiatric distress and most of those deaths are caused by the euthanasia clinic. (onenewsnow.com 3/16)

**U.N. Gets \$100 Million in New Aid Pledges for 'Palestinians' on Heels of U.S. Cuts.** Canada, Turkey, Switzerland and Norway have pledged \$100 million for Palestinians. The pledges still don't bridge the full \$350 million gap created by President Trump's announced cuts to UNRWA. And, these are just pledges. The actual cash hasn't yet exchanged hands. (freedomout-

## Security? Privacy?

allows it to regulate the trading platforms. The Internal Revenue Service (IRS) calls them property, like stock or real estate, which should be taxed. The result? After losing in court, trading exchange Coinbase in February said it would turn over to the IRS data on some 13,000 customers who bought cryptocurrencies. (yearnews.com April, 18)

## Other News

**US Company Wants to Have a Luxury Hotel in Outer Space by 2020.** As Disney begins work on its first space-themed hotel, tech start-up Orion Span has decided to take the concept one giant leap further and open a hotel in space. He said, upon launch, Aurora Station goes into service immediately, bringing travelers into space quickly and at a lower price than ever seen before, only \$9.5 million for a 12-day trip. The Orion Span website is already taking reservations for a projected 2020 opening date and promises that its Aurora Station will deliver “a remarkable Astronaut Experience that can be had nowhere else in the known universe: grow food in space, dive into our in-space Holodeck, participate in real space research, or enjoy views that will blow your mind. At the end of the day, curl up in your private suite.” (theblaze.com 4/6)

### **Is the African Continent Splitting in Two?**

Alarming reports are coming out of Africa that a 50-foot-deep crack that has developed in the earth across many miles actually could end up splitting the continent into two parts. The crack has appeared along Kenya's Great Rift Valley, and runs from Somalia, in the northeast part of the conti-

nent, hundreds of miles down to South Africa. CBS explained it opened suddenly”

and “many scientists believe it could end up breaking Africa's continent apart. (wnd.com 4/4)

### **South Carolina Introduces Secession Bill in Response to Latest Attacks on Gun Owner Rights.**

The US occupied State of South Carolina, at least that is what I call my home state, is once again presenting a front just as she did against the tyrant Abraham Lincoln before the War of Northern Aggression. Three House representatives introduced a bill that would allow for representatives to debate the issue of secession if the federal government confiscates legally purchased firearms in this state. ## The Embassy and the Temple

**Required Permits Waived for U.S. Jerusalem Embassy.** Israeli official: 'See you all in May'. The Muslim world was enraged, and even more so when it was announced that the U.S. Embassy will move to Jerusalem in May. Now, Israel has waived the permit requirements for the new embassy. I am thankful for the privilege of being the finance minister and the head of the National Council for Planning and Building who will oversee the relocation of the American Embassy in Israel from Tel Aviv to Jerusalem,” said Finance Minister Moshe Kahlon, *Breaking Israel News* reported.

**Jewish Visitation to Temple Mount During Passover Nearly Doubles From 2017.** Over 2500 Jews visited the Temple Mount during Passover, and many activists participated in a ritual sacrifice at the foot of the compound. (jpost.com 4/5)

**Famous Rabbi Sees Trump Rebuilding Temple.** Donald Trump

might not be the most popular person inside the beltway, in California, on U.S. college campuses or in the American media, but his support is growing in Israel, with one prominent rabbi saying he believes the president is destined to rebuild the Jerusalem Temple before the coming of the Messiah. Rabbi Yosef Berger told *Breaking Israel News* Trump will play this “final historic reparation for his entire nation by building the Temple.” “No leader in history has recognized Jerusalem as the capital of the Jews and Israel,” Berger said. (wnd.com 4/1)

## The War on Christianity Continues

**Harvard's "Inclusive" Stance.** Those who call themselves Christians and attempt to follow biblical morality as they understand it are now among the most persecuted religious groups in the world (*Newsweek*, January 4, 2018).. According to *The Weekly Standard*, the group Harvard College Faith and Action has been put on 'administrative probation' because the group 'pressured a female member... to resign in September following her decision to date another woman'". (March 1, 2018). Ironically, Harvard was founded by a clergy-

man and was intended to educate “Christian” clergy. Today, Harvard prides itself on its acceptance of all types of religions and orientations. (twnews&prophecy.com 3/18)

**'Insanity' to Believe Jesus is the Only Way, Says Pastor.** Pastor Michael Walrond has grown First Corinthian Baptist Church in Harlem from 350 members to over 10,000 in the last 14 years. The church calls them "disciples", but with theology like this, which goes against fundamental Christianity, it's unlikely they'll become disciples of Jesus. (onenewsnow.com 3/16)

### **More Christians Discovering Biblical Beliefs Could Cost Them Their Jobs.**

The latest victim of workplace firing is Urologist Dr. Paul Church who was relieved from Beth Israel Deaconess Medical Center in Boston earlier this year and was just recently denied a chance to appeal his case. Church's offense was warning of the health risks of homosexual behavior and questioning the judgment of a hospital promoting such unhealthy behavior. (prophecynewswatch.com 4/11)
