What Must I Do to Escape the Wrath to Come?

In 1970, Hal Lindsey published *The Late Great Planet Earth*, selling millions of copies. Coming on the heels of World War II, the re-birth of Israel, the Six Day War, and widespread societal upheaval, many were convinced the rapture would take place before the end of the decade. But the 1970's came and went, and Jesus did not return. Then, in the 80's and 90's, numerous bible prophecy books with titles like "Countdown to Armageddon" and "Final Warning" sold all over the world. Again, many people were convinced Jesus would return before the end of the century. Yet Jesus didn't come. Then the world experienced Y2K, the 9/11 terrorist attack, and the great success of the *Left Behind* series. Again, it seemed Jesus would return at any moment.

But He didn't. Then something happened. Complacency set it. (prophecynewswatch.com 7/22)

"Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation." (2Peter 3:3-4)

Wake up church! God's word is True When the time which He set from before the foundation of the earth arrives, He will come and will not tarry. Back in history there were only few signs now and then. Now, all the signs stated in the Bible are converging upon this world at the same time. Look up, your redemption draws near. Following the rapture is a time of trouble such as this world has never seen. Included will be both the wrath of Satan and the wrath of God. YOU DO NOT WANT TO BE HERE.

So, how do we prepare to go with Jesus when He appears; how do we escape the wrath to come? (1) "...Believe on the Lord Jesus Christ, and thou shalt be saved..." (Acts 16:31) Believing on Jesus is more than a statement of faith; it is an action. If I believe on

Him, I will obey all His word. (2) Repent. Turn from the world and commit your life to Jesus, totally and completely. (Acts 2:38, Acts 17:30) (3) Be baptized in the name of Jesus Christ for the remission of sins. (Acts 2:38, 8:16, 19:5, Ro. 6:3, Gal. 3:27), The only way our sins are remitted is through water baptism in the NAME of JESUS. (Acts 4:12) (4) Receive the gift of the Holy Ghost evidenced by speaking in tongues. (Acts 2:4, 2:38) "...Now if any man have not the Spirit of Christ, he is none of his." (Romans 8:9) The initial evidence of the infilling of Holy Ghost is not the same as the gift of tongues spoken of in 1 Corinthians. And, no, this evidence did not cease as some teach. "For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call." (Acts 2:39) If God calls you to salvation, you must come His way. The birth of the church is in the book of Acts. The epistles were written to churches who already believed, repented, were baptized in His name and filled with the Holy Ghost. It is His Spirit dwelling in us that will identify us as His own when He appears. Get ready. Stay ready. He will come at the time appointed.

Nearly a Billion Are Chronically Hungry.

The UN's goal to end world hunger by 2030 is not likely to be met (Deutsche Welle, 7/15/19). Its recent report estimated that 820 million people worldwide suffer from chronic hunger. Nearly 150 million are children whose growth is stunted by poor nutrition. A recent UN report estimates that "around two billion people worldwide do not have sufficient access to clean and nutritious food." Most of the world's chronic hungry live in Asia (500 million), with about half as many in Africa (260 million). Bible prophecy reveals that as we approach the end of the age, food shortages and famine will continue to increase, eventually contributing to the deaths of extremely large numbers of people (Revelation 6:5-8). Terrifying New FBI Tech Revealed; Sends 'Laser Messages' Directly Into Brain.

The future is a scary place. It can be easy to feel like we're all hurtling toward some impending doom, being told that climate change will soon render our planet uninhabitable, political chaos boiling over into violence and N.K. and Iran are on the hunt for nuclear weapons. On top of all that, however, is the rapid advance of technology. Insidious new technologies are being introduced by firms across the planet. The Pentagon is no exception, and their latest bit of invasive technology is enough to send a shiver down your spine. Weapons researchers at the DoD say the hi-tech weapon will be able to send brief messages, in the form of audible speech, across combat zones. The aircraft, ship and truck-mounted devices are being developed as part of a military initiative called the Joint Non-Lethal Weapons Directorate. Scientists will use a phenomenon of physics called the Laser-Induced Plasma formation to make the laser a reality. First, they fire a powerful laser that creates a ball of plasma. Then, a second laser works to oscillate the plasma creating sound waves. These intense laser bursts can then perfectly mimic human language, states chief scientist Dave Law. According to the Pentagon, the technology could be battle-ready in as little as five years. The fact that this technology could find its way into domestic use is what terrifies many. With the rapid militarization of local police forces we could be hearing messages from law enforcement, whether we like it or not.
